

Sponsorship

We are hugely grateful for the generous sponsorship of many local organisations, through which we are able to establish a new series of concerts for 2026. We could not achieve it without you. Thank you.

In addition to several private and charitable benefactors, our sponsors include:

Hadley Wood Security (HWS) is a not-for-profit, community-led security organisation that has served its members for over twenty years. Operating 24 hours a day, 365 days a year, our highly visible patrol vehicles work alongside an extensive CCTV and ANPR network to provide proactive deterrence and rapid emergency response, with FREC 3 medically trained officers equipped with trauma kits and defibrillators. We work closely with the Metropolitan Police and Neighbourhood Watch to safeguard our community; to become a member, please contact info@hadleywoodsecurity.com

Founded in 2010, Horizon Law is regulated by the Council of Licensed Conveyancers (CLC) to provide conveyancing and private client services, and our shareholders and directors are all solicitors. The specialist approach that the CLC brings to its regulation of lawyers and the protection of clients is a major reason for our commitment to the organisation. It means that our clients' needs, as well as ours, are met in a tailored and highly effective way. For any enquiries that you may have, in the first instance please do contact our good friend Guy Wheatcroft, at guy.wheatcroft@horizonlaw.co.uk or directly on 020 3328 3592.
